(Pursuant to § 29-1-103(1) (e), C.R.S.)

#### Green Mountain Falls/Chipita Park Fire Protection District

The attached 2023 Budget for Green Mountain Falls/Chipita Park Fire Protection District includes these important features:

- Revenue from Property Taxes with no rate increase
- Expenses in support of Fire Fighters, Building & Vehicle Maintenance, Volunteer Training and Pensions.

The B	udgetary basis of accounting timing measurement method used is:
[]	Cash basis
[X]	Modified accrual basis
[]	Encumbrance basis
[]	Accrual basis

The District uses funds to budget and report on the financial position and results of operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain governmental functions. The various funds determine the total District budget. All of the district's funds are considered Governmental Funds and are reported using the current financial resources and the modified accrual basis of accounting. Revenues are recognized when they are measurable and available. Revenues are considered available when they are collectible within the current period. For this purpose, the District considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures, other than the interest on long term obligations, are recorded when the liability is incurred or the long-term obligation is paid.

The services to be provided/delivered during the budget year are the following:

- Contracted legal and management services including state required reporting, financial and accounting reports, billing and other services.
- Fire protection and medical services for the area within the District boundaries (few services offered to surrounding fire districts).
